What was the most effective aspect(s) of this course? and why?

Working closely with very knowledgeable and experienced instructors

What was the least effective aspect(s) of this course? and why?

Haven't had training on cryopreservation of testicular biopsy specimens, or epididymal + vas deferens aspirates

What could have made this course better?

- Providing testicular biopsy specimens.
- Perhaps better scheduling of specimens.

Additional comments:

Great course, wonderful people to work with.
