How did you learn about this course? (E.g. internet, friends' recommendation, meetings)

Internet

Why did you select CCF for your training? (E.g. Location, reputation, price, facilities)

For me, this programme was the most comprehensive one

What could make our course even better?

Need more instructors

Additional comments:

- The need of human embryology protocols was what was felt the most deficient for by me.
- Coordinate the visits to human embryology labs more
- The instructor should be present with trainee for a longer period of time.
