How much of the course content was new to you (please circle one): -

Almost all

About 75%

About 50%

About 25%

Almost none

What was the most effective aspect(s) of this course? and why?

This was a refresher course for me so the hands on time was very valuable.

What was the least effective aspect(s) of this course? and why?

What could have made this course better?

Additional comments:

Karen is an excellent trainer. She is patient and very knowledgeable. She gave me a chance to perform the test and review some training slides before I looked at the proficiency samples.
