Content of syllabus/handout material	✓					
Hands on experience	✓					
Multimedia presentations	✓					
Length of course to contents	✓					
Appropriate time for questions	✓					
Overall course management	✓					

What was the most effective aspect(s) of this course? and why?

Every thing is very good. For me this is the conversation with Dr Sharma

What was the least effective aspect(s) of this course? and why?

/

What could have made this course better?

For me may be one week more for discuss, hands experience.

Additional comments:

I am very proude, to teach learn and work in our laboratory. Thanks for All!
