Overall course management		✓				

**What was the most effective aspect(s) of this course? and why?**

ART training - Kelly's training was very focused, target oriented, tailored for each one of us & she is an excellent taskmaster.

**What was the least effective aspect(s) of this course? and why?**

- We would have liked to attend all the lectures as we missed some important ones while we were at Akron.

**What could have made this course better?**

We felt that time was not adequate to learn all this information and the techniques.

**Additional comments:**

It was an amazing program - I feel really good about it.

**Reproductive Gynecology, Inc**  
(IVF Clinical Rotation)

Topics covered:

1. Oocyte retrieval
2. Embryo transfer, Embryo grading
3. Conventional IVF
4. Cryopreservation
5. ICSI
6. QC/QA, lab design, Air quality

What was the most effective aspect(s) of this course? and why?

Both the embryologists were very helpful, informative and very communicative.

What was the least effective aspect(s) of this course? and why?

-More time with the clinicians would have been really good - But Dr. Nash was very helpful.

What could have made this course better?

\_\_\_\_\_  
\_\_\_\_\_

Additional comments:

I got to see the clinical IVF procedures and the lab procedures which was really very useful.
